Items in **BOLD** print above are new for this Directory.

If you have e-mail please join the District List Server. It's a free service provided by the District and will provide you and your club with important Exchange information. To join, send an e-mail to: ***calnevexchange-subscribe@yahoogroups.com*** or go to ***<http://groups.yahoo.com/group/CalNevExchange>*** and your name will be added to the list. You will not receive unwanted advertising, only Exchange related notices. Check out the Calendar of Events from time to time.

Clubs listed in this directory are listed in alphabetical order by the name of the city in which the club is located. For example, "North Fresno" can be found under "Fresno, North" and "North San Luis Obispo County" under "San Luis Obispo, North County." This is to enable a prospective visitor to find a club in that location. Be sure to check club meeting day, time and place with a club officer before attempting to make a visit.

Addresses for club officers or meeting places are located in the same city as that after which the club is named unless otherwise noted.

The first four digits following the name of each club in the leadline indicate the club number as assigned by The National Exchange Club. The final three digits following the club name indicate the club's division and area. The final letter in the leadline is used for district control purposes only. All clubs shown with a "AA" have filed their Club Officer Election Report with District for the 2011-2012 Administrative Year.

ABOUT AREA AND DISTRICT DIRECTORS

There are ten divisions in the California-Nevada District, each served by a district director. Assisting most district directors are one or more area directors. There are twenty areas each being served by an area director. Area directors serve for a term of one year and are appointed by the district director.

District Directors serve for a term of two years with those representing even-numbered divisions being elected at the district conventions held in even-numbered years and those representing odd numbered divisions being elected at district conventions held in odd-numbered years. In the event of a district director vacancy, the district board of directors will elect a qualified member of a chartered Exchange Club in the same division to fill the office for the unexpired term. Area director vacancies are filled by the district director of the division in which the area is situated.

Candidates for either office need not be a past club president.

Note: If speaker needs more time, he/she should be presented earlier than the regularly scheduled time, but should never be allowed to speak past the regularly scheduled time for adjournment. It is imperative that members, all busy business and professional men and women, know exactly when the club meeting will be adjourned. It is embarrassing for both the speaker and a member if a member is forced to leave the meeting before the speaker has concluded his/her remarks. If one knows ahead of time that he/she will have to leave the meeting before the speaker's remarks are concluded, an apology should be extended to the speaker prior to commencement of the meeting.

FOUNDATION CLUB EARNINGS PROGRAMS

eScrip Program

Electronic Scrip Incorporated (ESI) is a California-based corporation dedicated to establishing relationships between commerce and community — to provide resources to organizations and projects that support children. ESI introduced the eScrip program in 1999 and has distributed over \$120 million to schools and youth organizations across the country.

Here's How it Works

- You register any one or all of your existing grocery loyalty, debit and credit cards for use in the program.
- Participating merchants will make contributions to your chosen group, based on purchases made by you, just by using the cards you have registered.
- Your purchases are tracked and available to you online, allowing you to see just how much you are earning on your club's and the Foundation's behalf! 50% of everything you earn goes to your club for its' Programs of Service and the other 50% goes to the Foundation to help fund the District Youth Projects (e.g., Youth of the Year, ACE, and Search for Talent). Everyone you can get to sign up for this program helps earn money for your club and the District's Youth Projects. Friends and relatives can sign up using the information below and your club will earn based on thier purchases. **There is no cost to sign up for this program!**

Sign Up Now!

eScrip is proven to be a fantastic resource for fundraising where participating business partners contribute a percentage of your grocery loyalty cards, credit card, and debit/ATM card purchases to the school, group or organization of your choice. You can sign up easily on the internet. All you have to do is go to www.escrip.com (or click on eScrips link on the District's Web Site Home Page at www.calhawnevexchange.org) and click on their "Sign up" link. The link will take you to a set of pages that allow you to enter all of the needed information needed by the program. On the first page you are asked what Group you want to support. Click in the Group ID circle and then enter 141589329 in the box below. That is the Foundation's Group ID number which allows eScrip to credit your earnings to the Foundation. The rest of the pages allow you to enter your personal data in order for eScrip to keep track of your individual purchases. Please note that eScrip has a very strict Privacy Policy that does not allow them to share any of your personal information with vendors. All of your information is safe and secure within their system. If you want any additional information about eScrip please contact District Treasurer Ken Owens at kaowens2@verizon.net.

PowerNet Global Telephone Savings Program

The Foundation has been an agent for PowerNet Global Communications, a nationwide telecommunications provider, for nearly five years. Offerings feature a wide range of low cost communication services, including ISP, cell phone service, etc. and feature substantial savings on telephone toll calling for both businesses and individuals. Exchangites throughout California report the service has proven to be easy to use, very reliable and cost effective for everyone. It is normal to expect substantial savings from the very first month. In addition to the subscriber receiving very favorable rates for long distance calling, the Foundation receives a rebate based on each member's paid usage.

This program pays the same way the eScrip program does. 50% of all earned income goes to the members club and 50% goes to the Foundation for use in the District's Youth Projects. Since its inception, this service has added additional product lines (e.g., Internet Service, 800 service, cell phones, flat rate plans, etc) that allow members and their friends to enjoy first class services at reduced prices and also earn money for both local Club and District projects

To get additional information on this program, contact Pathfinder Dave at exchangitedave@pacbell.net. Dave can help answer any questions. To start saving on all your telephone toll calling quickly you can do so in a few minutes on line by going to the District website at <http://www.calnevexchange.org/news.html>

Click on the link to sign up for this program and fill in your contact information. That's all there is to it.

Why not start saving today?

FOUNDATION CLUB EARNINGS PROGRAMS (Continued)

Monday Night Football Program & Bowl Games Program

The Foundation has been sponsoring the two Football Programs for the past five years. Many people are football fanatics and will participate in this type of fundraiser when asked.

Each of these two programs are set up in the form of a 100 square matrix. There are 100 books in each series of books. Buyers purchase a book, for a \$25 donation to the Foundation, and its book number determines which square of the matrix they have. Each week during the Monday Night Football season the game that is printed in the booklet is played and the final score of the game is matched against the matrix and the winner is determined. Each winner receives \$50 for the Monday Night Football games. For the Bowl Games, winners of games 1 - 6 receive \$50, games 7-12 receive \$100, game 13 & 14 receive \$150 and the final game (the Superbowl) winner receives \$200.

Clubs that want to participate in either or both of these fundraising programs can ask for books from the Foundation. If a club wants to agree to sell and manage a whole set of 100 books, they receive \$750 for their club projects from the Foundation. There is \$2,500 of income from each 100 books. The club must agree to furnish all checks (payable to the Foundation) as they come in to the Foundation Treasurer. The Treasurer will send back to the club their share of the proceeds.

Clubs can also take as few as 10 books (and up to 50) and sell them. All proceeds along with the each booklet stub must be returned to the Foundation Treasurer prior to the playing of the first game in the booklet. For each book sold, the club earns \$5. The Foundation Treasurer will keep track of each winner and pay them on an ongoing basis. The club profits will be rebated to the selling clubs as soon as all of the books they were responsible for are turned in.

All questions regarding this program should be sent to the Foundation Treasurer at kaowens2@verizon.net.

Earn money for District Programs of Service using the Good Search internet search system

Use [GoodSearch](#) like any other search engine. But here's the difference...every time you use GoodSearch, money is generated for the District — each completed search raises approximately \$0.01 for us! And since GoodSearch is powered by *Yahoo*, you will get proven, high-quality search results. For example, if 1,000 District supporters searched twice a day, we would receive an estimated \$7,300 per year to help fund our Programs of Service mission of supporting Americanism programs, Youth Activities and the Prevention of Child Abuse!

You can keep track of our estimated earnings by clicking on "Amount Raised" once you designate the District as your organization of choice. The more people who use the site, the more money we'll earn, so [please spread the word!](#)

Start using [GoodSearch](#) today for all of your internet searches, and help raise much needed funds for the District!

Go to the District homepage at:
<http://www.calnevexchange.org>

and click on the link to GoodSearch or you can go directly to GoodSearch by entering:

If you have any questions contact one of your District Officers or Directors.

CA/NV DISTRICT EXCHANGE CLUB Non Profit Organization (NPO) #92976

The CA/NV District has enrolled in the Ralphs Grocery community giving campaign. If you regularly shop at Ralphs, please sign up with Ralphs using the above NPO #. Then when you shop and scan your Ralphs Club card the District will earn contributions from Ralphs.

It works like this: Individual purchases will begin counting towards our organization within 72 hours of registering the individual rewards Cards on-line.

Every time a member shops for groceries and swipes their card, our organization automatically starts earning a rebate.

If you do not have access to the online sign-up method, please call 1-800-443-4438 to learn about the alternative sign-up method.

What we earn: Ralphs will pay each organization on a quarterly basis based on the following monthly qualifying purchases per household:

Up to \$200	1%
Between \$200.01 and \$350	2%
Between \$350.01 and \$500	3%
Over \$500	4%

- Ralphs limits their quarterly contributions to a maximum contribution of \$625,000 to be distributed among all participating eligible organizations.
- Ralphs limits a quarterly household contribution to \$150
- In the event that total earned contributions exceed the maximum contribution limit, Ralphs will prorate and reduce the contributions based on the total contributions earned by all participating organizations and their members.
- Minimum quarterly rebate payout is \$25 per organization. In the event that an organization earns less than \$25 in a quarter, Ralphs will hold the amount until the next quarter that the rebate exceeds \$25 or the end of the program term, whichever comes first.
- Your quarterly check will be mailed or personally delivered to your organization by your neighborhood Ralphs Store Director within one month of the close of each quarter.

Note: You must re-register your card after September 1st each year to continue to get Ralph's donations!
